

# Management liability

## Product information

This product is a comprehensive package policy designed to meet the insurance needs of UK-based directors and officers. The policy includes cover for directors sitting on the board of an outside entity, as well as an additional limit for non-executive directors.

Further information about this product can be found in the [key facts document](#) provided.

## Target market

This product is suitable for UK-based companies and limited liability partnerships with revenue not exceeding £1 billion and employee numbers below 5,000.

## Types of customers for whom the product would be unsuitable

This product is unsuitable for sole traders, partnerships, or individual directors. It is also unsuitable for companies involved in the provision of regulated financial services.

## Any notable exclusions or circumstances where the product will not respond

Standard market exclusions apply. Notable exclusions are highlighted in the Key Facts document.

Please review the Conditions under the policy document to ensure all obligations under the policy are understood.

## Other information which may be relevant to distributors

The underwriter will request all necessary information from you to enable us to offer this product. If you have any questions, please speak to the relevant underwriter.

Information about the notification of claims and circumstances and the complaints process is included in the policy document.
